CHURCHES FOR THE COMMON GOOD

NEW YORK CITY

The local church is a powerful agent of cultural renewal for the common good. What can this look like in our community?

We are excited to invite you to the New York City satellite site of cg2017. Join us for a day of exploring how we might pursue the common good in our workplaces, neighborhoods, and cities.

WHY ATTEND?

- Connect with local believers and churches committed to the good of our city.
- Hear from national speakers like Andy Crouch, Amy Sherman, and Tom Nelson.
- Interact with local leaders from our city who will share best practices.
